- Advocacy Topics
- Lessons Learned
- What Comes Next
Trains In The Valley

Launched in April 2016

Mission

“To advocate for improved and expanded passenger and freight rail service in the Pioneer Valley region of western Massachusetts.”
What we do – high level

● We provide people with information
● We advocate for users (the passengers)
● We work to increase transparency of information
● We act as local “eyes and ears” on the ground
● We point people in the right direction
What we do – some detail

- Update and maintain our website [TrainsInTheValley.org](http://TrainsInTheValley.org) (using Wordpress.com)
- Update and manage our Facebook page
- Publish an online newsletter (the *Rail News Roundup*)
- Manage and maintain an email list (using Mailchimp)
- Organize events, from time to time
- Meet and talk with people, groups, elected officials, stakeholders, and others
What we do – Time well spent

Meetings with elected officials — Mayors, Reps, Senators, etc.

Meetings with planners — the PVPC and FRCOG

Attend public meetings — MassDOT CIP and State Rail Plan

Interviews for the media — WWLP-TV, the Republican, etc.

Work with related groups — Citizens for a Palmer Rail Stop
the Train Campaign
the Vermont Rail Action Network
the Rail Passengers Association
What we do – the website

For the period April 1, 2016 thru October 12, 2018
Vermont Service on the Knowledge Corridor – eff. Dec. 29, 2014

With new stops in Holyoke, Northampton and Greenfield
Vermonter service on the Knowledge Corridor
Advocacy hotspots

- Service awareness and public outreach
- Consistently late southbound train
- Parking concerns, Northampton in particular
CTDOT Hartford Line Service – Launched June 16, 2018

Expanded and improved service between Springfield and New Haven
Hartford Line Service
Advocacy hotspots

- Service awareness and public outreach
- Cost to park at the Springfield Union Station garage
- Taking the train to MGM Springfield
- Taking the train to the Big E
- Bus–rail schedule integration in/out of Springfield
Knowledge Corridor Service Pilot – Starting in June 2019

Expanded through service from Greenfield to New Haven
Knowledge Corridor Service Pilot
Advocacy hotspots

- Service awareness and public outreach
- Greenfield–Springfield vs. Greenfield–New Haven service
- Parking at the stations, Northampton in particular
- Fair and equitable prices for tickets
- Fixed vs. differential ticket pricing
- Bus–rail schedule integration in/out of Springfield
- The “reverse commute”
MassDOT East–West Rail Study – Starting soon
Study of the Boston–Springfield–Pittsfield passenger rail corridor
MassDOT East–West Rail Study
Advocacy hotspots

● Public awareness and public input
● Transparency of the process
● Attention to intermediate stops, in particular Palmer
● Incremental service vs “gold plated” service
Trains In The Valley – Lessons learned

● The best advocacy is local advocacy

● “Your website is your calling card”

● Always try to be helpful

● If you see something say something
Trains In The Valley – What comes next

- A network of local rail advocates
- Organizing meetings planned for November in Greenfield, Holyoke, Northampton and Springfield
- Fundraising
- Focus the Knowledge Corridor Pilot Service
